From: Coach Lindsay

Currently I am training for my first triathlon for the Leukemia & Lymphoma Society, an organization committed to: raising money for research and patient services, honoring area patients and their families, and finding a CURE for all forms of leukemia, lymphoma and other blood-related illnesses

Did you know that leukemia is the number one disease-killer of children under 15 and lymphoma is the leading killer of men and women under 35? Did you know that every five minutes someone in the United States learns that they have leukemia, lymphoma or myeloma? For this reason my goal is to raise \$4,600 by April 11th, 2008.

Please support me as I swim, bike, and run my way to the finish line in honor and loving memory of my friend Nick Collelorui who lost his 14 month battle to Non-Hodgkin's Lymphoma on November 28, 2006.

Please make all donations out to the Leukemia and Lymphoma society hand directly to me during practice! Please also feel free to make a donation on my website at www.active.com/donate/tntepa/tntepaclindsa....remember all donations are 100% tax deductible!

In advance, I thank you for your support as you make a difference on many individuals' lives! If you have any questions please feel free to e-mail me at linzlax9@yahoo.com. Thank you again!
